

How to find us:

From the M6 take Junction 6, heading towards Birmingham City Centre, on the A38 (Aston Expressway). Follow the signs for City Centre and pass over the fly-over at Lancaster Circus (Children's Hospital on left below), as you come down from the fly-over come off the A38 before you go under the underpass (Queensway) and continue up to St. Chads Circus.

Take the 3rd exit of St. Chads Circus and onto Old Snow Hill (Signposted A41 West Bromwich/Handsworth). Take the 3rd turn on your left into Henrietta Street and under the viaduct. Continue straight across Livery Street into St. Pauls Square. Take the 1st left onto Ludgate Hill.

Engineering Services Consultancy are located within Griffin House, on the left, just over the canal bridge. Ample on-street pay-&-display and off-street parking is available in the vicinity.
